

ULTRASEAL Forms

ULTRASEAL forms are created from a single sheet of paper. They are a **cost-effective, labor-reducing and environmentally-friendly way** to create, process and deliver mailed pieces **without an envelope or glue**. They pair perfectly with Formax pressure seal equipment.

How can ULTRASEAL forms be used?

What can you make with them?

- Invoices
- Business checks
- Utility bills
- Medical bills
- Business tax forms
- Statements
- Grade reports
- Test results
- Medical reports
- Collection notices
- PIN notifications
- Bank documents

Features & benefits

- **Cost-effective** - eliminate envelope purchases
- **Labor-reducing** - no hand-folding, envelope stuffing, gluing or heating is required
- **Environmentally-friendly** - these forms are created from one single sheet
- **Secure seal** - each form contains special bands of printer-safe pressure-sensitive adhesive, which align and bond together when the forms are run through a pressure seal machine
- **Tamper-evident** - ideal for sensitive confidential mailings to guarantee the end recipient is the only person opening the mailer
- **Compatible** with laser printers, inkjet printers, offset printers, flexo printers & HP Indigo
