Relyco® Offers New Affordable Formax® AutoSeal® FD 1200 Pressure Seal Machine and Special Pressure Seal Forms Deal

Buy a Formax FD 1200 from Relyco and save 10 percent on pressure seal forms for an economical turnkey pressure seal solution

Dover, N.H., September 14, 2010 – [Relyco](#), a leading provider of value-added [business printing solutions](#), [business equipment](#), and [check printing solutions](#), today announced the addition of the new affordable [Formax AutoSeal FD 1200](#) machine to its extensive offering of pressure seal equipment. With the purchase of the FD 1200, Relyco is also offering 10 percent off all [stock pressure seal forms](#) orders – providing a highly economical pressure seal solution.

“The Formax FD 1200 is a great little machine that enables small businesses and organizations the ability to implement the time and cost savings benefits of a pressure seal solution,” said Mike Steinberg, president of Relyco. “A pressure solution is an easy way to significantly reduce manual processes and eliminate the need for envelopes – often delivering a return on investment as early as its first month of use.”

The FD 1200 is a fast, quiet, and affordable solution for producing one-piece pressure seal mailers. When combined with a laser printer and pressure seal forms, the FD 1200 creates secure, mail-ready pieces. With a compact desktop design and processing speed of up to 35 forms per minute, the FD 1200 is ideal for schools, churches, and other small organizations and can also be a cost-effective backup machine for those offices that already have a higher-volume pressure sealer. Additional features include:

- *Drop-In Feed System:* A drop-in top feed system produces dependable feeding of forms with no paper fanning required
- *14" Form Length Capability:* Flexibility to process forms up to 14" in length
- *Fold Types:* Folds Z, C, Uneven Z, Uneven C, Half and custom folds
- *Integrated Catch Tray:* Provides neat, sequential stacking of processed forms
- *Pre-Marked Popular Folds:* Makes changing fold type or form size quick and easy
